Make data informed decisions for getting the most out of your investment in show.

PRE-SHOW

Find out how many online visitors are viewing your online profile and engaging with your brand. Take action to complete your profile and boost online visitor engagement.

AT SHOW

Check how many buyers visited your stand based on real time scans by your team and smart readers.

POST SHOW

Review metrics for leads and digital engagement. Segment leads captured by attributes of interest.

Five steps to benchmarking performance

1. Review and download details of leads captured at show
2. Analyze leads by segment of interest e.g.- job title, region, product interests
3. Review metrics for online visitor engagement with your company
4. Analyze engagement trends over time
5. Analyze visitor response to recommendations made for your company
